OBJECTIVE

ISTQB-certified Software QA and Test Automation Engineer with 3+ years of hands-on experience in manual and automated testing for web and mobile applications, seeking a challenging and responsible role where I can utilize my skills and experience to contribute to the success of the organization. Additionally, I'm always eager to learn and adapt to new technologies in the field of software testing to continuously improve the quality of the software products.

WORK EXPERIENCE

QA & Test Automation Engineer – Siegwerk **March (2026) – Present**

- Create comprehensive test cases to ensure robust testing using Azure DevOps
- Performing manual and automated testing, including functional, regression, and integration testing
- Identifying, documenting, and tracking defects, and collaborating with developers to resolve issues
- Validating the Data using SQL Server to ensure data integrity

Software Quality Control Engineer – Bit68 **Nov. (2024) – Feb. (2026)**

- Review and understand the business documents.
- Review user stories to verify alignment with business objectives and functional requirements.
- Define inputs, outputs, and acceptance criteria.
- Create detailed test cases using Excel Sheets / Browser Stack.
- Execute the test cases.
- Verify against UI/UX designs (Figma), browser compatibility, and responsiveness.
- Test APIs using Swagger and Postman.
- Report bugs clearly and specifically using JIRA.
- Perform the functional and UI testing on web and mobile applications (Android & iOS).
- Continuous Regression Testing.
- Work closely with project managers and developers to refine acceptance criteria and ensure clarity.
- Perform Test Automation using Selenium, TestNG and Allure report

Software Tester – B-Connect **Jun. (2023) – Oct. (2024)**

- Analyze and review software requirements.
- Develop and execute manual test cases for desktop and mobile app.
- Reporting and following up on defects using Azure DevOps.
- API testing using Postman.

EDUCATION

Bachelor's degree, Computers and Artificial Intelligence, Helwan University, Cairo, Egypt **Sept. (2016) – Jan. (2021)**

Major: Information Systems

GPA: 2.3

Graduation Project: Job Portal Board **Grade**: A+

CERTIFICATES

- ISTQB Certified Tester Foundation Level (CTFL) – ESTB Credential ID: 230222039
- ISTQB Certified Mobile Application Tester (CT-MAT) – ESTB Credential ID: 240214037
- Testing Foundations - Egypt FWD
